FIELD RESEARCH

- dal 2000 -
- Director of the Project of global Archaeology on the ancient settlement of Torre di Satriano (Comuni di Tito e Satriano di Lucania-PZ), for the University of Basilicata (Scuola di Specializzazione in Archeologia). The project provides for multidisciplinary investigations (survey, geophysical prospecting, stratigraphic excavations, pollen analysis, palaeobotanical and archaeometric analysis etc.) on the whole territory of the ancient settlement. Investigations have been financed by the University of Basilicata, the Regione Basilicata and the Comune di Tito (<http://www2.unibas.it/ssa/index.php/it/torre-di-satriano>).
- dal 2012 -
- Director for the “Scuola di Specializzazione in Beni Archeologici” of Matera of the archaeological project on the colonies of Siris and Herakleia (Comuni di Policoro, Tursi, Rotondella). The project provides for the study and the publication of unpublished materials and contexts, and non-invasive investigations (survey and geophysical prospecting) in the urban pole and in the territory of these two greekapoikiai. Since 2013, the project is in collaboration with the École Pratique des Hautes Études (S. Verger).
<http://www2.unibas.it/ssa/index.php/it/eraclea>
- dal 2009 -
- Co-director with Olivier de Cazanove (Université de Paris 1 Panthéon-Sorbonne) of archaeological investigations in Alesia (Bourgogne), Sanctuaire d’Apollon Moritasgus, Croix-Saint-Charles and Sanctuaire d’En Surelot (project “sanctuaires d’Alesia”, financed by the Service Régional de L’Archéologie de Bourgogne).
<http://www2.unibas.it/ssa/index.php/it/alesia>

- 2000-2011 Co-director with Thomas Schäfer of the University of Tübingen, of the italo-german archaeological mission in Pantelleria (TP), organised by University of Tübingen and of Basilicata in partnership with Soprintendenza BB.CC.AA. di Trapani. Investigations concern the ancient Punic-Roman settlement and include stratigraphic excavations and non-invasive investigations financed at first by Herda Henkel Stiftung, then by the Deutsche Archäologische Gemeinschaft (with an annual contribution by the University of Basilicata).
<http://www2.unibas.it/ssa/index.php/it/pantelleria>
- 2007-2012 Co-director with Marco Fabbri (Università di Roma “Tor Vergata”) of investigations in Gabii (Roma), organised by the Soprintendenza speciale per i Beni Archeologici di Roma (maintainer: Stefano Musco), in co-operation with University of Basilicata and of Rome “Tor Vergata”. Investigations concern the ancient Latin settlement and they include stratigraphic excavations in the area of the East Sanctuary, near the fortifications and in the urban perimeter as well as the edition of old researches.
<http://www2.unibas.it/ssa/index.php/it/gabii>
- 2005-2008 Co-director with Dimitris Roubis and Francesca Sogliano (CNR IBAM; Scuola di Specializzazione di Matera), of the research project in the territory of Grottole (MT), loc. Altojanni, which has the aim of studying settlement dynamics in this area from the Antiquity to the Middle Ages (excavations and surveys).
- 2004-2005 Scientific Counselor for the Comune di Ascoli Satriano and the Soprintendenza per i Beni Archeologici della Puglia in the archaeological excavations during works for completion of the “Parco Archeologico dei Dauni” in loc. Serpente di Ascoli Satriano (FG).
- 2003-2010 Co-director with Marco Fabbri (Università di Roma “Tor Vergata”) and Rossella Agostino (Soprintendenza per i Beni Archeologici della Calabria) of investigations in the ancient settlement of Taurianum (Palmi-RC), organised by University of Basilicata and of Rome “Tor Vergata” in co-operation with the Soprintendenza per i Beni Archeologici della Calabria. Investigations concern both the protohistoric settlement (maintainers: Marco Bettelli and Sara Levi) and the Brettian-roman settlement and they include archaeological excavations in the area of the late republican sanctuary and in the Brettian and Roman town.
- 1999-2000 Scientific Counselor for the Comune di Ascoli Satriano e della Soprintendenza per i Beni Archeologici della Puglia in the archaeological excavations during works for completion of the “Parco Archeologico dei Dauni” in loc. Serpente di Ascoli Satriano (FG).
- 1994-1997 Member of archaeological mission in Itanos (CRETA) directed by D. Viviers (University of Bruxelles), A. Schnapp (University of Paris -Sorbonne), A. Kalpaxis (University of Rethymnon) and E. Greco (Istituto Orientale of Naples).

NATIONAL AND
INTERNATIONAL
FUNDING OBTAINED AS
PRINCIPAL
INVESTIGATOR

- 2008-2011 Scientific director of the research unit of the University of Basilicata for the project PRIN 2008 financed by Miur: “Il ruolo del culto nello sviluppo delle comunità dell'Italia antica tra il IV ed il I sec. a.C.: strutture, funzioni e interazioni culturali”.
- 2004-2007 Scientific director of the research unit of the University of Basilicata for the project PRIN 2004 financed by Miur: “Ceramica attica da santuari della Grecia, della Ionia e dell'Italia”.

- 2000-2014 Director of the Project of global Archaeology on the ancient settlement of Torre di Satriano (Comuni di Tito e Satriano di Lucania-PZ), for the University of Basilicata which provides for multidisciplinary investigations (survey, geophysical prospecting, stratigraphic excavations, pollen analysis, palaeobotanical and archaeometric analysis etc.) on the whole territory of the ancient settlement. Investigations have been financed by the University of Basilicata, the Regione Basilicata and the Comune di Tito. He got a 700.00 Euro research support grant from European structural funds 2007-2014.
(<http://www2.unibas.it/ssa/index.php/it/torre-di-satriano>).
- 2012-2014 Director of the archaeological project in the territory of colonies of Siris and Herakleia (Comuni di Policoro, Tursi, Rotondella), which provides for the study and the publication of unpublished materials and contexts, and non-invasive investigations (survey and geophysical prospecting) in the urban pole and in the territory of these two greekapoikiai.
